Your manuscript has now been submitted

Here's what you submitted

Submitted:	12:34, September 25, 2026
Journal:	<i>Computers and Electronics in Agriculture</i>
Article type:	VSI: Foundation Models in Agriculture_Research article
Title:	Quantifying the contribution of multimodal geospatial context in foundation models for parcel-level agricultural decision support
Authors:	Juan Cañada CTIC Technology Center, Dept. AI & Data Analytics Fernando Hurtado CTIC Technology Center, Dept. AI & Data Analytics Julio Molleda Corresponding author jmolleda@uniovi.es University of Oviedo, Dept. Comp. Sci. and Eng. Fidel Díez CTIC Technology Center, Dept. R&D

What happens next?

Your manuscript and other files have been sent to *Computers and Electronics in Agriculture* and the corresponding author (Julio Molleda) will receive a confirmation email. We will check your submission and contact you if we need more information.

As this submission was made through this portal, Julio Molleda will need to sign in to their journal account (or create a password if they don't have one yet) after receiving the confirmation email. This is needed to track the submission and manage any revisions.

View and track your submission
